

Synthetic words fill this short
paragraph so that a narrower wrap
moves them onto more lines.

Plain words with **bold** and *italic* runs inside
one paragraph, then **strong** words
close the *block*.

AVATAR leads a line that a narrower
wrap breaks onto more lines.

Small text then **LARGE** words and more
small words close the block.

Plain then red words again here
and the block ends in red.

after

A rule sits between

these two lines.
